

OLPC XO Support - Task # 232: Clever OLPC web-camera

Status:	Closed	Priority:	Normal
Author:	Juriy Katkov	Category:	Knowledge center requests
Created:	07/30/2009	Assignee:	Juriy Katkov
Updated:	08/25/2009	Due date:	08/07/2009
Subject:	Clever OLPC web-camera		
Description:	Try to install some recognition program for the camero on XO. Camera should turn recording on when seeing the motion -- for example, when a bee flies away from it's home. (:
