

## OLPC XO Support - Feature # 50: Neighborhood view improving

<b>Status:</b>	Closed	<b>Priority:</b>	Low
<b>Author:</b>	Juriy Katkov	<b>Category:</b>	Knowledge center requests
<b>Created:</b>	01/16/2009	<b>Assigned to:</b>	Juriy Katkov
<b>Updated:</b>	08/25/2009	<b>Due date:</b>	
<b>Subject:</b>	Neighborhood view improving		
<b>Description:</b>	We have centralization in summer camps. It's usually MediaWiki. The idea is to add to the Neighborhood view button that allow an access to the wiki-resources. See picture description in <a href="#">_Files_</a> for details.		

### History

**01/16/2009 04:38 AM - Juriy Katkov**

- Priority changed from Normal to Low

**08/25/2009 04:03 PM - Juriy Katkov**

- Status changed from New to Closed

frozen to the next camp
